

Eagle Creek Academy

COVID-19: When to Stay Home & When to Return to School

- If the situation arises at home, email our secretary, Annalise, at abuehner@eaglecreekacademy.com and keep your child home.
- If the situation arises at school, we will contact you to pick up your child within 30 minutes.
- This document includes COVID-19 information. For information about staying home in other contagious situations, refer to the family handbook at www.eaglecreekacademy.com / More Info / Forms.
- Isolation is the number of days the child stays home. Ex.: Close contact on January 1. Count 10 days of isolation from January 2 to 11. Return January 12.
- The school may change the guidelines on this page any time.

Situation	Description	When Student May Return
Student has 1 of these symptoms	100.4+ fever, chills, sore throat, cough, headache, fatigue, diarrhea, stomach ache, nausea, vomiting, congestion, runny nose, shortness of breath, difficulty breathing, new loss of taste or smell	In most cases: ~ No fever for 24 hours without meds ~ AND symptoms improving ~ AND quarantine for 10 days after onset of symptoms In some cases: ~ No fever for 24 hours without meds ~ AND symptoms improving ~ AND negative PCR COVID test on day 5 or later ~ AND quarantine for 7 days after onset of symptoms
